Crowdfunding Campaign Lead

Working Hours

Flexible hours

Description

Do you want to change the way America does politics?

Put your storytelling where your heart is and help us bring our proven method for talking across the political divide to 50 states by designing a crowdfunding campaign that will tell the world about our work while also bringing in the funding we need.

Responsibilities

- Create the plans for our next social fundraising campaign
- Create content
- Organize, implement, and publicize the campaign
- Manage the campaign response using Salesforce (training provided)

Skills

- Excellent communication skills
- Strong organization and time management skills
- Social media savvy
