Description

Love social media? We do, too, but we have been too busy helping folks cross party lines to create a presence online. Make a difference as a social media and community manager. Choose your channel and bring it to life.

Really, take your pick:

- Twitter
- Instagram
- Facebook
- LinkedIn

Or make the case for a channel of your choice.

Responsibilities

- Develop and implement social media brand strategies
- Design campaigns to build brand awareness
- Turn your channel into an active community
- Oversee day-to-day management of YOUR social channel
- Coordinate incoming messages and engage with followers
- Curate and create compelling content (image/basic video)
- Design and analyze metrics

Skills

- Proficient in the platform you choose.
- Enthusiastic about the Crossing Party Lines mission.
- Reliable.
- Good communication
- Creativity
- Ability to connect people and stimulate discussion
