

Video Production Team Member

Description

**Put Crossing Party Lines in the Movies!
Because seeing is believing.**

When we tell people what do, most doubt it's even possible. Yet, we've got video to prove it. We need *you* to shoot and/or edit our footage and get it ready for the web.

Responsibilities

When you join our small video team, you'll get a chance to:

- Shoot and/or edit videos that appeal to wide audiences.
- Choose and implement graphics, music, and sound bites that enhance the story.
- Collaborate with the team to design develop our visual brand and storytelling style.

Skills

- Some video editing experience.
- Access to video editing and production tools.
- Great story-telling instincts.
- Ability to manage multiple projects and meet deadlines.
